PRINCIPALS NEWS...

What a fabulous week we had, recognizing Reconciliation Week, including a wonderful 'Welcome to Country' and smoking ceremony on Tuesday. A huge thank you to Corinna and Lyndon for this moving and uplifting event. And a big congrats to our new dancing star! A big thank you to Mrs Millington for organising this for the students.

Late Arrivals Early Departures

A reminder that if students arrive late to school (after the 9a.m. bell), they will need to be signed in at the office by their parent and collect a green late pass to take to their class teacher. If students are being collected early, parents are required to sign them out

at the office and take a red early pass to take to their child's class teacher on collection.

Have a fabulous weekend!

EXTEND OSHC

This week had reflection with Reconciliation week conversations. A highlight was our Visit from Gilbert Gecko the Extend Mascot. He performed for us with his helpers and asked us to join him on stage. The rest of our time was busy with paper craft and this has been a great way to help us build our fine motor skills. Mia F ran an origami bookmark activity with great success. Tayla taught us Kick Ball and we appreciate her patience. She has been taking our outside time on Mondays. Thanks Tayla!

See you next week!

Emily Drakos,

PARENTING RESILIENT KIDS

We are inviting parents and their primary-school aged children to take part in a new online parenting program designed to provide parents with strategies to parent with confidence and stay connected with their pre-teen child.

WHAT IS THE RESEARCH ABOUT?

You are invited to participate in research being conducted by Monash University, led by Dr Marie Yap. The research aims to evaluate whether our new online parenting program can help empower parents and in turn build their child's resilience.

WHAT IS INVOLVED?

You will be randomly allocated to one of two groups, to receive either:

- 1) An individually-tailored, interactive online parenting program that will give you practical strategies you can use to parent your child more confidently;
- OR
- 2) An information package of 8 weekly factsheets about child development and well-being.
- We will give you a 5-minute call once a week until you have completed your allocated program.
 - We will ask both you and your child (if they agree to take part) to complete some online surveys at the beginning, and after 3 and 12 months.

In total, participation in this research will take a few hours of yours and your child's time over 12 months. To say thank you, you will be reimbursed with e-gift vouchers.

All components of the online program can be done using a computer, tablet, or smartphone.

WHO CAN PARTICIPATE?

Parents or guardians of a child aged 8-11 who live in Australia, are fluent in English and have internet access.

HOW DO I FIND OUT MORE?

To find out more, or to register to participate, please go to www.parentingresilientkids.com

For further details, please contact the researchers at med-resilientkids@monash.edu or on (03) 9905 1232.
