We hope you have had a restful long weekend as we now count down the days to the end of Term 2.

Friday was a very productive day for Moolap staff and included in this week's newsletter is important information for parents. We also have our "Reading Reward" coming up for those students who have achieved their reading goal.

Finally, please make sure that you have booked your time for the coming 'Three Way Conference' on the 22nd or 23 June. If you have any difficulty making your booking, please do not hesitate to contact the office.

Please see below for this week's news

Enjoy
Robbie

Welcome Luca Jean
Miss Sarah (12B) and Lachie are extremely proud to announce the safe arrival of Luca Jean Skinner on 8th June at 1.51 a.m. weighing in at 6.9oz 'just a tiny dot'. All doing extremely well.

Behaviour and Expectations
One of our school's goals this year is to incorporate school wide positive behaviour support (SWPBS). An expectations matrix is a core aspect of schoolwide positive behaviour support (SWPBS) and helps all staff members to be consistent in their interactions with students. The matrix is used to identify the specific, observable and positive behaviours expected of all students in all the different learning environments around our school. These behaviours reflect the school's values. Over the next two weeks, the students will be reviewing with teachers a draft of the matrix. They will be actively participating in ongoing discussions on what is clear and what we will need to change. Please see the attached Draft matrix your children will be reviewing - [click here].

Social Media and Children
Social media has grown dramatically over the last few years. App developers recognize the power of social media and are including it in their applications. So now children are being encouraged to engage in social media through their games along with mainstream social media apps like Google+ and Facebook. The challenge for us as parents and educators is to ensure our children use the internet safely. The school strongly advises that primary aged children do not use social media as it is a very difficult environment for young people to navigate. We also encourage parents to directly supervise their children using the internet. There are some simple strategies that seem to work quite well: specifying spaces in your home where children can go on the internet; parents maintaining control of iTunes account by keeping the password secret; parents controlling which apps are allowed on devices; parents randomly checking apps being used by their children; and ongoing discussions about what is safe and unsafe behaviours on the internet.

40 Night Reading Rewards
Our Student Representative Council (SRC) has planned a ‘Crazy Hair / Crazy Dress Day’ for all those students who have achieved their goal of 40 nights reading. This will be held on Tuesday 21 June. Well done to those students for achieving their goals!

Three Way Conferences
Three Way Conferences will be held Wed 22 June - 2.30 - 7.00 p.m. & Thursday 23rd - 3.30 - 5.30 p.m. Bookings for the coming conferences can be made online via the link below, and using the relevant code.

Good Luck
Good Luck to our older students heading off to Division Sports this week, we wish them the very best of luck.

Head Lice Alert
There have been cases of Head Lice reported in the Prep grade. Please ensure that you check, treat and report (to the office) cases so we can notify parents of the need to check their children's hair. Further information is available by [clicking here].

Handwriting Focus
During recent observations of students during their Big Write sessions it was noted that the overall quality of handwriting at Moolap was lower than expected. With this in mind we have decided to have an intense focus on handwriting for the last two weeks of term and will continue to make it one of our priorities next term.
For the next two weeks teachers will include a handwriting session each day and explicitly teach or review correct pencil grip, letter formation with starting points, sizing (all Grades) and how to join letters (Grades 3-6). So that you can also help your child to improve their handwriting we have included a copy of the Victorian Modern Cursive Script with starting points for practice at home.

MCG NEWS
Thank you to those who attended this morning’s meeting. The following was discussed -
