**PRINCIPAL'S NEWS**

The coming Student Led Conference is about reviewing progress over the course of the semester. Teachers will guide the conversation around achievements and goals for next semester. It is also a time for parents and students to seek clarification of the next steps for learning. To get the most from this time, please read your child’s School Report (sent home yesterday) carefully before meeting with the teacher. Lastly, please take the time to thank the teachers for their support; they put in a considerable amount of work caring for your child and helping them progress in their learning.

We look forward to another full term ahead starting Monday 11 July. Loads of activities including: Bravehearts, Girls Football, Dental Visit, Year 5 6 Camp, Life Ed, District Athletics, Year 3 4 Camp (15-16 September) and much much more. Keep a check on the Activities Calendar on the school's website - http://www.moolapps.vic.edu.au/

Have a great holiday and I look forward to seeing you all on Monday 11th July to start Term 3.

Enjoy!

Robbie

Big Write - (Term 3 Community Focus)

Students become better writers by writing and by having many opportunities to talk about their ideas and expanding their vocabulary. If they can't talk it they can't write it.

At school we teach students how they can further develop their writing using the VCOP. Next term we will be moving to having the Big Write weekly to provide students with more opportunities to practise and demonstrate their writing goals.

At home, we need parents support by engaging in conversations with the children each week on the Big Write topic. To succeed we really need parents to support us in this endeavour.

We look forward to building plenty of enthusiasm and discussion around writing. I know that if we are focused on this together we can support every student to grow as writers.
