

PRINCIPALS NEWS

Next week we recognise our group of dedicated **Education Support Staff** during **ES Week!** Our ES Staff here at Moolap go above and beyond to assist the learning, personal and social development of our students here at school. From working in the front office to assisting students in the classroom and conducting intervention groups, our ES staff offer terrific support to our students and classroom teachers. From the whole community, we say THANKS to Michelle McIntosh, Deb McNeill, Dawn Arlow, Jodie Lewry, Michaela Sultmann, Kylie Egan, Susan Searle, Michelle Taylor and Vicki Wellam. Teaching staff will be holding a special morning tea for our ES Staff on Monday.

DISCO TIME!

Tonight, our students dress up in their finest attire and boogie on over to the pavilion for an evening full of fun and dancing. As a final reminder, please note that students **will not be permitted** to leave the pavilion area at the end of the night without a parent or guardian. Many thanks to our parents from the MCG for organising and running the event for our students!

Today we celebrated **Indonesian Independence Day** at school with an assembly and afternoon of fun activities and games. As you are aware, Indonesian is the language that we teach here at Moolap and today marks the day where Indonesia was declared independent from the Netherlands. The day itself is filled with festivities and celebrations, where Indonesians recognise the country's independence from foreign rule. As part of building respect and understanding of other cultures and traditions, the day is recognised here at Moolap with students participating in some of the traditional Indonesian games in their house groups.

It's that time of term where we begin looking ahead to 2019! In the next month, our new Prep students begin their transition activities here at Moolap, with a range of events planned for the remainder of the year. To assist us with planning for 2019 classrooms, we request that you inform the office as soon as possible if you think your child may be leaving Moolap at the end of the year. This will assist our discussions about classes and class sizes.

Last-but-not-least, next week we celebrate "**Book Week**" with all things books, the theme being "Find Your Treasure". This culminates Friday with our dress up parade on Friday morning. Please come along!

Have a great week!
Regards,
Peter Knight

SCHOOL NEWS

Schools Spectacular students have started to learn their new dance routines. Not only are they singing in the massed choir, but they are now dancing as well. Their next rehearsal at the Town Hall is coming up when they will be practising these dance routines with the amazing dance director and hip-hop artist, Deon Nuku. If you would like to see our students dancing and singing at the HiSense Arena make sure you go to Ticketek and book your tickets for 15 September. The first and second tranches have sold out already!

Our Semester 2 **Gardening Gurus** had their first session in the school gardens this week. They watered the new Indigenous Garden and planted some nasturtiums in our vertical garden. They did so with the help of some lovely hand trowels donated to them from the MCG!

ASSEMBLY

Author and illustrator, Jeannette Rowe, came and charmed our preps with her fantastic children's books last week. There were guessing games, dramatic play and artwork all melded into two fantastic hour sessions. Jeannette's visit was courtesy of the CASS foundation.

Last Friday, our grade 3/4 and 2/3 students submitted entries for the **Geelong Gallery Who's Who?** competition. These stunning artworks were painted of students' local heroes: sports coaches, grandparents, Indigenous leaders, Mums, Dads, and of course, Geelong Cats players all featured highly. Mrs M was very proud to take these submissions into the Gallery. Well done, everyone!

MCG NEWS
