

PRINCIPALS NEWS

Father's Day Stall

Thank you to all families who were able to support the Father's Day Stall yesterday. We are pleased to report that the parent group sold out of nearly every item!

We wish all dads, grandfathers and special males in the lives of Moolap students a Happy Father's Day on Sunday!

Prep Orientation- begins next Thursday

It's hard to believe, but it is the time of the year where we welcome a brand-new group of Moolap students to our school. Our 2019 Preps begin their transition program next week, with half of the group attending our classrooms on Thursday afternoon and half on the following Thursday afternoon. Many of the students are already familiar with the school and some will be attending for the first time. The Prep transition program is an important time for both the students and the school. It helps us get to know students, their likes and dislikes, as well as their families. It also helps students familiarise themselves with the school, it's routines, other students and our staff. We are sure that the whole community will give them a big welcome as they start their learning journey with us next week.

Deakin Students

You may have noticed lots of pre-service students from Deakin University in and around the school lately. This week we had several students visit our classrooms to work with our students. We think this is not only a valuable experience for the pre-service students, but it enables our staff to influence and direct the learning of our next wave of teachers in our schools.

Farm Day @ Moolap!

We invite all students to take part in our '**Dress as a Farmer**' Day next Friday. As you are aware, the plight of many farmers in Australia has been well publicised lately and many schools across the country have joined together to fundraise to assist farmers with drought relief. For a \$5 donation, students can come to school in their farming gear. All money raised will be donated to this worthy cause. On this day our Prep students will have a fun farm incursion.

NAPLAN Results

Our student NAPLAN results have arrived at school and will be sent home to you shortly. We are very proud of all our students who tried really hard to do their best, but we also remind our students that NAPLAN is a *snapshot* of their learning on one particular day of the year. Once you receive the results, please feel free to contact your child's teacher should you have any questions.

Quick Updates:

- **District basketball** - Best of luck to all students who will represent Moolap PS with pride next Wednesday 05th!
- **Bookclub Returns** - Due next Wednesday 05th
- **Moolap's Got Talent** - The search has been on for the next wave of talented dancers and singers during Moolap's Got Talent. This will take place at next Friday's Assembly, all welcome.

GOTCHA!

We have been unable to present our Gotcha certificates to students during the past few weeks due to lots of different activities taking place. We will make up for that on Friday afternoon! Congratulations to all students who have received Gotchas for demonstrating our Moolap values and to all who will receive a certificate this week.

Mrs Irving is on long service leave for the next 3 weeks and is looking forward to her well-deserved holiday overseas. Mr Damian Wilson will be fulfilling Mrs Irving's classroom teaching role in 4/5 A, along with Mrs Harvey. Mr Wilson is well known to all students across the school. We wish Deb a safe and relaxing holiday and look forward to hearing all about her trip when she returns next term.

Have a great week!

Regards,
Peter Knight

Sept 14 - Tania Camilleri, Jodie Scarlett, Michelle Moorfoot

EXTEND

This week we focused on Father's Day/Special person's day. Monday, we painted glasses with glass paints students could choose their colours and decorate them in any way they wanted.

Tuesday, we made coffee scrub and made nice bags to put them in. The students (and myself) did not like the smell of the coffee in the room. Wednesday, we made candy ties it was great seeing all the different shapes and patterns the students chose. Thursday, we made paddle pop stick photo frames and decorated them, we also put pictures inside them for the parents to see. Finally, Friday, we made cards for our special family members on Father's Day. It was great to see the unique cards the students made. Friday we were also able to celebrate on of the students 10th birthday!
Jessica Hamilton, Team Leader

What's on next week?

27th August 2018- Lego car building competition

28th August 2018- Butter Making

29th August 2018- Pinwheel making
