

PRINCIPALS NEWS

Thank you to parents of Year 3-4A who came along to the student-led conferences this week. We hope you enjoyed hearing about all the work your child has been doing throughout the term. All remaining classes will have their student-led conferences on **Tuesday the 18th of September**. Please send back your reply slip indicating a time if you haven't already done so.

This week we sent home NAPLAN results for our Year 3 and 5 students. We are pleased to report that our reading results for both Year 3 and 5 students were the best the school has had for some time. As a key part of our Annual Implementation Plan (AIP), we have set challenging goals for our students to improve their positive dispositions towards reading and to show growth in their reading ability across the year. Our NAPLAN results show that we are heading in the right direction. There are several ways that students demonstrate achievement towards our whole school reading goal. This is evident when students:

- Set a goal for their reading
- Engage in independent reading
- Respond to reading through a variety of activities
- Self-assess their work towards attaining their reading goal
- Read regularly at home

We look forward to our students sharing this progress with you at our student-led conferences.

Yesterday our first group of **2019 Prep students** visited the school and participated in some reading and maths games with their parents in the Prep classrooms. There was great excitement in the room for their first official visit! Our second group of students will visit next Thursday afternoon.

Congratulations to all students who represented Moolap at the District Basketball Competition on Wednesday. Our students tried their best and demonstrated our values of respect and responsibility when representing our school. Well done!

It is only one short week until our Moolap students represent the school at the **State School's Spectacular!** We can't wait to see our students proudly performing on stage for their families. Best of luck to you all!

Finally, thank you to our families for supporting the **Buy a Bale fundraiser** today. Students were encouraged to dress as a farmer for a donation towards supporting our struggling farmers.

Have a great week!

Regards,
Peter Knight

EXTEND

To start the week off on Monday we had a Lego car building competition, the students love having any sort of competition where they have a chance to win a prize, it was great to see all the different cars the students made.

Tuesday, we made pinwheels and watched them spin around in the wind outside.

Wednesday, we made bows and arrows out of paddle pop sticks, the students loved being able to see how far the paddle pop stick would bend before it broke.

Thursday, we made our own butter. One group of students made their butter by mixing their cream with a whisk until it turned to butter. The other group of students turned their cream into butter by shaking a container full of cream until it turned to butter, we were having a competition to see which one would turn to butter faster.

Friday, we made our own dips. A lot of the students love avocado, so we decided to make guacamole and many of the students love hummus, so we decided to make our own so that they knew exactly how to make it. We were then able to eat these dips for second snack.

Jessica Hamilton, Team Leader

Extend superstar is:

Will C- For getting out of your comfort zone and dressing up with the other students.

Hurley V - For bringing in your Beyblade's and stadium and sharing with all the other students.

The poster features several action shots of baseball players with descriptive text: 'Swing like Twenty20 cricketers', 'Dive like a goalkeeper', 'Take off like an Olympic sprinter', 'Accurate throws to targets like a cricketer', and 'Agility like AFL players'. The central text reads 'Come 'n Try BASEBALL'. On the right, it says 'BAYCATS BASEBALL' and 'LEARN ALL THE SKILLS & PLAY BIG LEAGUE BASEBALL'. Below that, it lists '2 age groups of Baseball plus Teeball', 'Boys & Girls welcome', and the event details: 'Wednesday 19th Sept 5pm-6:30pm @ Geelong Baseball Centre Diamond 3, Pioneer Road Grovedale, enter opposite Meadowvale Dr'. It also notes 'Players aged 5 to 14 years' and 'Games start mid-October'. For more information, it provides contact details for Chris Rickard: 'cjrickard@lizzy.com.au' and 'Mob. 0411 165 205'.
