FROM THE PRINCIPAL

We have had a really good week working on Values and setting up routines in classrooms.

We have had a really good week working on Values and setting up routines in classrooms. The students on a whole seem to be settling in well. We have given out many Gotchas and the student behaviour has been very good. Congratulations to our School Leaders and Student Representative Council representatives who

received their badges this year. I also want to commend our School Leaders, Natashya and Maddi, on their outstanding leadership in the first weeks of school. Finally, I want to give a big call out to our staff who have completed many Professional Development Activities over the last few weeks and have worked really hard to make each student welcome.

Have a great weekend!

Robbie

School Wide Positive Behaviour: Supporting Inclusion

Moolap Primary is a School Wide Positive Behaviour (SWPB) School. It believes *SWPB provides an excellent guide to create an inclusive school environment in which students of all abilities feel safe, confident and able to engage in their learning.*

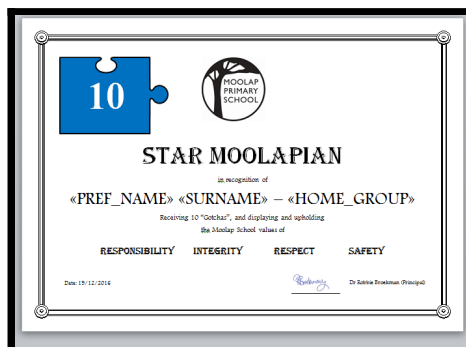

By incorporating SWPB in conjunction with our current program, Moolap Primary is helping its students understand the unique and valuable contribution each of them make to the school.

With a consistent application of SWPB across the school, our staff is ensuring that we are providing all our students, including those with disabilities and additional needs, a genuine opportunity to learn and succeed.

All classes will introduce a wellbeing focus each Monday, along with a review and reflect session each Friday to discuss and celebrate student progress.

'**Gotchas**' remain our whole-school approach to positive behaviour reinforcement.

- Students following the Behaviour Expectations may be awarded one **Gotcha**.
- Once students reach certain milestones (10, 20, 30 etc) they will be awarded a certificate at Kids Assembly and can choose from a variety of rewards.
- Coloured wristbands will also be awarded every 20 **Gotchas**.
- Students continue to build their **Gotcha** total over the year.

EXTEND AFTER SCHOOL CARE

We had a fantastic first week back at after school care.

We had a fantastic first week back at after school care. A highlight of the week was definitely our cooking activity, Banana Pops. Balloon tennis was also an entertaining activity where we made our own rackets. Building and flying kites was a challenging craft which was enjoyed by everyone. Working together in teams, we all participated in an outdoor basketball shooting competition where we cheered on our team. To end off the week we designed work uniforms for our dream careers.

Samantha Hagerty, Team Leader

Extend Superstar is:

Jimmy Cox ... scoring the first point in our sports challenge.
