Newcomb Library

This week we had Nicky from Newcomb Library come to the school to explain to students the many ways they can use the library. We encourage all families to get a Library Card from their local library. You are able to access so many wonderful resources free.

Just a reminder that **EVERY WEDNESDAY** is now a **Nude Food Day**. Please try to minimise the wrappings students bring to school on Wednesdays. Use re-usable containers instead! Thanks for helping keep our school clean! Follow our progress on the website!

EXTEND

We were all very touched by the videos and talk given by Dianne last week. Your children's positive response and heart to care for others was on display. I spoke to many parents and guardians afterward and said I would post the link to the Operation Christmas Child website. We will be collecting for this, attempting to fill our own shoebox or two until November 18th. The website has the list of types of items we can donate.

This week saw us begin student led activities with the Farago sisters instructing others on how to make stress balls. If you or your child would like to run a game, activity, craft or have an idea please let me know. The sun allowed us to open up our wall of windows and flow out into the courtyard. This is going to be a fantastic season to grow creativity, respect, understanding and ourselves as individuals.

See you next week!!

Emily Dakos, Team Leader
