REMEMBRANCE GARDEN/SERVICE

Today we officially opened our Remembrance Garden with a beautiful Remembrance Service. We were fortunate to have special visitors, Colonel Stuart Dodd and Mrs Dodd from Victorian Veteran Affairs, and our friends from the BUPA Community Centre. Our SRC did an awesome job in explaining parts of the service and taking us through the traditions associated with this service. I was extremely impressed (and proud) with the respect all of our students showed throughout the service. This observation was shared by Colonel Dodd and his wife. A huge thankyou to Mrs Millington and Ms Lodding for facilitating this special service for our community.

MELB/MOOLAP CUP

What a fun day our students had. I think the photos tell the story. In the process we got to stop and celebrate in our little way “an Australian Cultural event”.

GRADE 3/4 CAMP TO QUEENSCLIFF

Next Thursday and Friday, our students will be going on a one night/two day camp to Camp Wyuna in Queenscliff. Thanks in advance to the teachers, instructional aides and parent volunteers for providing this great opportunity to our students.

ENJOY!
ROBBIE!

Wonderful writing from Kaitlin S- 00B

My topic is about light. I know something about fire-works They are blasted off by a special machine & back in fire-works are really cool. A special person releases the special fire-works. I have seen fire-works from the ~~sky~~ ground. There were lots of lights. There were lots of little ones and big ones. They only are released at the night time so we can see them properly in the dark.
