

PRINCIPALS NEWS...

Prep Transition

This week we completed the final orientation for our Prep students for 2018. Our Prep teachers have done an outstanding job in visiting kindergartens, providing a workshop for parents and beginning our new Prep's Transition for next year. In week 8 to week 11 we will be completing a range of transition activities for our students across the school. Some activities involve individual students and others with whole groups. More will be shared through Class Dojo in the coming weeks.

Grade 3/4 Camp

Our Grade 3/4 students had a great opportunity to attend Camp Wyuna in Queenscliff this week. The weather was quite tricky for camp but the students still had a good time. This is largely thanks to the teachers, staff and parents who attended camp and kept the students' spirits high.

What are teachers doing?

At this time of year, teachers are also completing assessments and are beginning to write reports. As you can imagine this takes some time as teachers work collaboratively to ensure consistency in reporting results to parents. Our teachers are also engaged in many meetings, planning for 2018.

Next week, our students begin the **Life Education Program**. The following are areas for focus for each class:

- Prep – Harold's Friendship
- Grade 1/2 – Safety Rules
- Grade 3/4 - Bycberwise
- Grade 4/5A & 5/6 – It's Your Call

Our Grade 5/6 students will be attending the annual **Blue Light Disco on Monday 20 November**.

Student Collection and Drop Offs

A reminder to families to collect and drop off their children from the school car park or High Street Crossing. Please refrain from parking along Wills Cres and blocking driveways of local businesses.

**ENJOY!
