

Life Education – Permission Form

2018

Dear Parents / guardians,

As part of our drug and health education this term we are having the Life Education mobile learning centre visit our school from:

17 – 19 July 2018 (first week Term 3)

Life Education delivers health and drug education through a unique mobile learning centre environment which provides students to develop strategies and practice the skills required to lead a healthy lifestyle.

Lessons are age appropriate and the children will be covering a wide range of health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the visit. The sessions are always fun, interactive and really extend and develop the children's understanding of the topics covered. We will be further broadening these topics in class both prior to and after the visit with the student workbook which is included in the cost of the visit. It is important that your child attend this session.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile learning centres on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

Parents / guardians are invited to attend an information session on Tuesday 17th July at 9.00 a.m. in the van.

The cost for this incursion is \$5.00 per child.

Please fill out the attached permission and payment form and return to the school by:
Monday 16 July 2018
