

PRINCIPALS NEWS

Next week is a very busy one at Moolap PS. Monday is Topsy-Turvy Day, an annual gold coin fundraiser for State Schools Relief. Many students from schools across the state are recipients of assistance from the relief program, so students are encouraged to come to school dressed back to front or inside out! On Tuesday our Prep students will be the leaders of the school as our Year 1-4 students will be travelling to the Melbourne Zoo as part of an educational program and our Year 5-6 students travel to Geelong West for their Blue Light Disco. The zoo program designed to teach students about the dangers that pollution has on our marine animals, in particular, seals. Our students have been talking and drawing about the 'Seal the Loop' program during their art activities. We look forward to learning all about how we can protect our waterways from dangerous items like plastic and fishing line.

On Wednesday our students will participate in the annual Moolap Athletics Day. We welcome parents to the school to watch the afternoon events from 1pm. On Friday our whole school will travel to Queenscliff for a fun day of activities, with the Queenscliff Music Festival performances a key part of the day. Parents are invited to meet students in Queenscliff to join in the activities. Unfortunately, there is not sufficient room on the buses, so you will need to meet us there if you would like to come along. Students will spend the morning looking closely at the beach environment, then walk over to the festival space for some fun music and dancing, followed by lunch. Please ensure that you send the permission note back to school as no students will be left on the school site during the day. Finally, the week caps off with the State Election on Saturday!

Have a great week!
Peter Knight

SCHOOL NEWS

sweetheart proudly presents...

Bernard 'Pretty' Purdie

"Legendary Session Player"

COMING TO:

Western Heights College
37-61 Vines Rd, Hamlyn Heights,
VIC, AUS, 3185

Friday 30th November
8:00pm - 7pm

Tickets available through:
<https://www.venuebooking.com/29484>

Bernard Purdie, the world's most recorded drummer is coming Down Under. Meet the Master Drummer, hear and feel the real stories behind the beat from artists including Aretha Franklin, Bob Marley, B.B. King, James Brown, Steely Dan, Louis Armstrong, Cat Stevens, Joe Cocker and many more. Journey back in time with Bernard Purdie during those historic recording sessions and on the road.

Moolap Primary held its second integrated art class with residents at BUPA Aged Care in Bellarine Lakes. Students and residents drew a still life of pears, working on different techniques for shading and highlighting. This is a wonderful opportunity for students and seniors to come together to learn and communicate. It gives our students an expanded sense of community, enhances their respect for the elderly and provides an opportunity for both residents and students to engage and socialise.

Fantastic Remembrance Day artwork by Moolap Primary finalists, Nathan and Billie who were invited to attend the official Remembrance Day ceremony in Melbourne last Sunday. Their work is on display at the Shrine of Remembrance in Melbourne. Here they are pictured with their artworks. An awesome achievement.

CANTEEN ROSTER

Nov 23rd-***TBC***

Nov 30th- Michelle M, Cameron B

Dec 7th- Kylie W, Tania C, Brodie M

Dec 14th- Alisha M, Emma H

EXTEND

We had another fantastic week at Extend!

Monday, we were supposed to make our own puzzles, but due to the day being so nice we went outside to play games.

Tuesday, we made our own Lego cars to have a Lego car race, students have been using Lego a lot to make their own cars, so we thought we would make this into a competition and race them.

Wednesday, we decided to make new birthday signs because these had not been updated for a couple of years. This became a student run activity, where they were able to choose the design and create the signs.

Thursday, we made our own teddy bears, not all students knew how to sew so we cheated a little and used a hot glue gun to make our teddy bears, students were also able to decorate them with anything they wanted.

Finally on Friday student's ran an activity, making their own fruit juice using all natural, in season fruits.

Next week will be full of student run activities!

Jessica Hamilton, Team Leader

Extend superstar is:

Jimmy C - For always coming up with creative great games for everyone to play.

Noah S - For becoming more involved in Extend activities.

What's on next week?

19th November 2018- Paper aeroplane competition

20th November 2018- Beyblade building competition.

21st November 2018- Kids run the day

22nd November 2018- Roll play

23rd November 2018- Cupcakes
