MOOLAP PRIMARY SCHOOL

NEWSLETTER

We have had so much fun at school over the last two weeks! Our Colour Splatt-tacular was amazing, made even better with a perfectly warm day. It was all capped off with Harmony Day, a big breakfast and lots of activities throughout the day. Thank you to everyone who contributed to making our events such a success!

Parents of the MCG would like to acknowledge the time and effort that families took to raise money and participate in the recent **Colour Splatt-tacular**. In all, more than \$12 500 was raised for the school and we very much appreciate the efforts of our community to support the school and students.

At assembly this week we acknowledged the top 10 money earners. Although it is not a competition and we are appreciative of even the smallest effort, the following students were awarded a certificate from the MCG for their extra special efforts:

Paige Scott (1530!!), Riley Curson (\$600), Amelia Peke-Bairamadis (\$580), Elijah Cox (\$570), Olive Davey (\$400), Teddy Erihe (397), Tilly Marsland (\$321), Tyler Gann (\$300) and Austin and Sonny Williams (\$260 each). Those who raised over \$500 were awarded an Easter gift in recognition. As always, events like this can only take place with the combined support of our community. Wendy Valentine did lots of running around to make sure the event was well-organised and lots of parents attended earlier to set up and make sure it was all ready to go! We even found out how high the water tap spurts up over the building once it is broken, but some quick work by Mark our handyman (on his day off!) made sure the water was back on just in time!! The student leadership team also set up the course during the morning and staff worked to make sure students were primed and ready for a great afternoon. What an amazing team effort!

Earlier this week our Year 6 students were invited to attend **Newcomb Secondary College** to take part in a Wood and Food Technology Class. The visit forms part of the Year 6 transition program and, as our closest Secondary College, Newcomb invites MPS to visit and enjoy their facilities. Thanks to Newcomb staff for inviting the students!

On Friday our school celebrated Harmony Day with lots of fun activities. We began with a huge Breakfast Club. Our Breakfast Club hosts, Semone, Michelle and Judy had organised a range of food items for the students and families to enjoy- pancakes, scones, croissants and the usual toast and cereal. Many families popped in for a bite to eat and we actually gave away all food items, including some hampers of food from Foodbank Victoria that we collect at school. It was such a nice way to begin the day, so thank you to all who came along and a special thanks to those parents who helped to serve food and clean up along the way!

Throughout the day students spent time in different classrooms, celebrating the day and working with peers of all ages. At Moolap PS, we love how students readily work with others and when older students spend time helping and talking to younger students!
