MOOLAP PRIMARY SCHOOL

NEWSLETTER

We are drawing closer to the end of term and our teachers and students have been finalising assessments for our mid-year reports. The reports will be available to parents via Compass at the beginning of the final week of term (June 30). Parents will have received a Compass notification this week regarding Parent-Teacher Interviews that will take place on the Tuesday and Wednesday of the same week. This will allow you to meet with your child's teacher and discuss their learning progress so far this year. We encourage all parents to make a booking to connect with teaching staff. The middle of the year is a good time to check-in with how your child is progressing according to curriculum standards or their individual education plan (for selected students). When reviewing learning progress, it is also important to cross-reference this with attendance. The more students are at school, the greater opportunity they have to access and experience success with their learning. Parents can check attendance at any time on Compass.

Last week we took a small group of students to the Spell Farm in Drysdale. The farm is owned by one of our parents, Rebecca Taylor (Owen's mum). It has chickens that the students fed and areas where the students were able to plant vegetables and play. The purpose of the excursion was around engagement and connection and was funded using our Tier 2 wellbeing funding. Although the weather was very cold, the students had lots of fun and will return next week. Thank you to Mrs Bayly for organising the excursion, our support staff for attending and to Rebecca and her team for hosting the students.

This week and next week our senior students will participate in several sporting activities on behalf of the school. This week was the Girls Division Soccer and Division Boys and Mixed Netball. Next week will be the Boys Division T-Ball competition. Well done to all who are competing, we hope you have a great time.
